Directions to the Planning Council as of April 2011

Parking at the Planning Council:

Visitors to the Planning Council may use street parking, however most of the streets are metered 2 hour parking and this is enforced between 8:00 am and 6:00 pm, Monday through Saturday.

For longer stays, there is a parking structure (cost is 75 cents per hour). Access to the structure is off 9th Street between Winnebago Street and Juneau Avenue. Drive in and take a ticket. Park anywhere you see a space. Lock your vehicle and bring your ticket with you. We cannot validate parking for you; after the meeting you will need to insert your ticket in one of the payment kiosks in the stairwells of the parking structure and pay your fee. The kiosks in the north stairwell only take credit cards and the kiosks in the south stairwell take both credit cards and cash. You may also pay with a credit card **ONLY** at the ticket machine as you exit the structure.

- **To find the Planning Council from the parking structure:** Walk out of the structure, preferably via the stairwell/elevator at the northwest corner of the structure. Come out on the ground floor where you will see a sidewalk angling off to the northwest. You will be walking through a little bit of a construction zone, but this is the correct sidewalk. There will be a newly renovated apartment building on your right and an empty lot on your left. Follow the sidewalk along the side of the apartment building onto 10th Street.
- **Handicapped parking** is available in the paved surface parking lot immediately west of our building, between our building and the Cardinal Stritch building. The parking lot entrance is off of McKinley Street (a short street between and parallel to Winnebago and Juneau).
