

Consumer / Stakeholder Advisory Council Meeting
November 14, 2007
AGENDA

1. Welcome and Introductions
2. Communication Plan Update
3. Review of Family Care
4. Karen Avery, of Independence*First*, will give an overview of what is happening with self-directed supports in Wisconsin
5. Jack Melton, of Milwaukee County Department on Aging, will provide a detailed explanation on how their Family Care CMO currently handles the following issues (these are issues that have been brought up as being important to consumers and stakeholders):
 - Choice
 - Access
 - Cost-effectiveness
 - Quality
 - Safety
 - Continuity of care
6. Discussion of how the expanded Family Care CMO could tailor the above bullet-point issues for adults with disabilities between the ages of 18-59
7. Overview of the preliminary ADRC governance proposal
8. Additional Comments or Questions
9. Next meeting: Date, Time, Place
