

Milwaukee County Interoffice Memorandum

DATE: May 7, 2009
TO: LTC and Consumer / Stakeholder Advisory Council Members
FROM: Geri L. Lyday, Administrator, DSD
RE: Participation on New or Expanded Family Care Committees

As we approach the implementation of Family Care, members of both the LTC Council and Consumer / Stakeholder Advisory Council will have an opportunity to identify their interest in serving on one of the new or expanded Family Care committees. We can't guarantee you will receive the committee of your choice because they are appointed by the County Executive. However, we would like to gather information regarding members' interest to serve on a specific committee or board.

Below is a listing of the committees that will be formed or expanded as a result of Family Care implementation in Milwaukee County. Please place a check in the box next to the committee you are interested in pursuing.

- Milwaukee County Aging and Disability Resource Center (ADRC) Governing Board**
Reporting Responsibilities: Would report to the Milwaukee County Board of Supervisors, Milwaukee County Executive and the State. Would have an advisory responsibility to the Milwaukee County Board of Supervisors and would report annually or as requested
Job Description: Would oversee the entire long-term care system in Milwaukee County and the overall operation of both Resource Centers
- Disability Resource Center (DRC) Oversight Committee**
Reporting Responsibilities: Would report to the Milwaukee County ADRC Governing Board
Job Description: Would oversee the day-to-day operations of the DRC
- Milwaukee County Family Care, Care Management Organization (CMO) Governing Board**
Reporting Responsibilities: Would report to the Milwaukee County Board of Supervisors and the Milwaukee County Executive
Job Description: Provides the Milwaukee County Family Care CMO with oversight and guidance in carrying out its mission, including policy recommendations and other actions such as meeting improvements in operations, fiscal accountability and reporting, and quality assurance
